EDUCATION

MCA (Computer Science) TMV University,Pune

07/2015 - 06/2017

BCA TMV University,Pune

07/2010 - 06/2013

SKILLS

PROJECTS

Timberland

- Timberland LLC is an American manufacturer and retailer of outdoor footwear and apparel owned by VF Corporation. The company also sells accessories including watches, eyewear, and leather goods.
- In the Timberland project, I worked on creating landing pages according to the mockup and performed QA for website performance. I used technologies such as HTML, CSS, JS, AEM CMS, and Node.js for this process.

Gen Digital

- Gen Digital Inc. is a multinational software company co-headquartered in Tempe, Arizona and Prague, Czech Republic. The company provides cybersecurity software and services.
- I focus on creating landing pages from Figma designs, handle BuyStatic tickets, and support AEM authoring. For development, I use HTML, CSS, JavaScript, React, and Tailwind CSS."

ACHIEVEMENTS

Recognition Award

I have received a Recognition award for the Timberland US process as I delivered a refresh request according to the client's timelines. Additionally, I worked on developing complex experience pages for Timberland US.
